The Studio Bar

Meetings, training, rehearsals, auditions & community events

Room specifications: 5.84m x 4.52m

The Studio Bar was included in the major refurbishment of 2018. A comfortable, carpeted room with high ceilings, lots of natural light, beautiful flock wallpaper & twin double oak doors. Situated on the first floor adjacent to The Studio, this space is ideal for small meetings or as a breakout room to The Studio. Due to major events in The Studio, **this space is only available to book as a stand-alone room a maximum of 30 days ahead** so as not to conflict with a possible major event. The house sound system is only suitable for background music. There is no A/V facility in The Studio Bar. Ladies & Gents toilet facilities are available on the first floor. **Due to the small size of parties that can use this room and additional charge will be made for a bar tender service in the room**
